Wednesday 16<sup>th</sup> November 2022,

Dear Parent/Carer,

FIFA WORLD CUP 2022 QATAR

England vs Iran – Monday 21<sup>st</sup> November – 13:00 GMT

As you may probably be aware, the 2022 FIFA World Cup starts this Sunday. In this major tournament, England's first game, against Iran, is taking place at 13:00 this coming Monday. It is not very often that these sporting events take place during school hours so this is a great experience for our children.

We have decided to give all of our children the opportunity to watch the game at school. Your child will be given the choice whether they would like to watch the game or, alternatively, spend the afternoon taking part in other enrichment activities.

Your child is welcome to bring any football shirt to change into after dinner. In the afternoon, tuck sop will be open for your child to purchase an item for 20p.

Thank you.

Mrs. Tomlinson

Principal
